

WALL STREET MAFIA

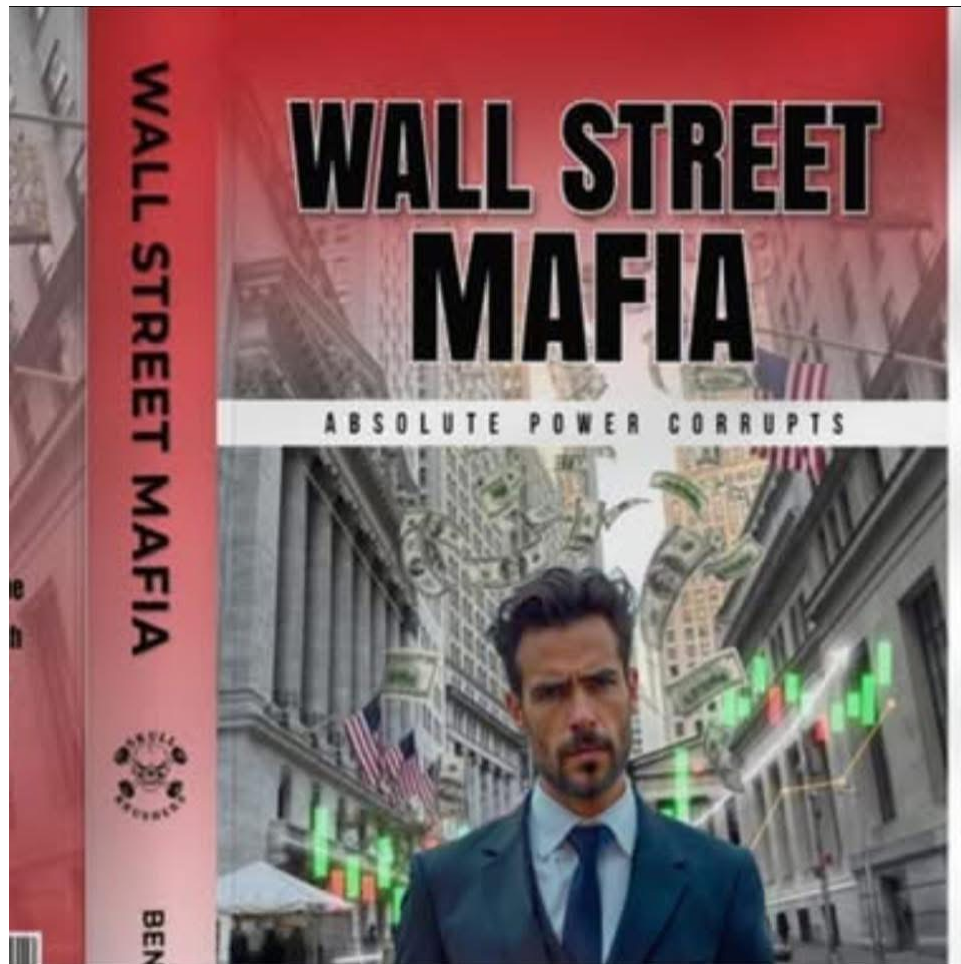

Absolute Power Corrupts

“I wasn’t supposed to make it. But I did.”

Ben Skull rose from chaos, crime, and corruption to become the voice behind one of the most shocking Wall Street exposés of our time.

His life was filled with foster homes, street fights, mafia ties, market madness, and personal turmoil—yet he came out the other side to tell his story.

ABOUT THE BOOK

Wall Street Mafia is a gripping, true-to-life journey through the dark underbelly of America's financial heart. Ben Skull exposes the shocking web of power, corruption, and greed that fuels the system—where money talks, loyalty is bought, and betrayal can cost you everything.

From the chaotic trading floors to the smoke-filled backrooms where deals are made and lives are broken, this book peels back the curtain on the real Wall Street. Skull doesn't hold back, chronicling his wild years surrounded by gangsters, bikers, stockbrokers, and kingpins who ruled the financial world from the shadows.

ABOUT THE AUTHOR

Ben Skull was born into hardship and chaos. Raised in foster care and forged by the streets, he carved his own path into the cutthroat world of Wall Street. With a sharp mind and fearless attitude, he became a power player in the game most people only read about. But the deeper he got, the more dangerous it became. His story is raw,

unfiltered, and proof that survival isn't given—it's earned.

WHAT READERS ARE SAYING

“Gritty, real, and absolutely gripping.”

“Reads like a Hollywood thriller—but it's all true.”

“Wall Street Mafia is The Wolf of Wall Street meets Goodfellas.”

KEY THEMES

- Organized Crime and Wall Street • Corruption Behind the Curtain • Redemption Through Chaos • Power, Money, and Consequences
